---

### **PGI 244.3—CONTRACTORS' PURCHASING SYSTEMS REVIEWS**

#### **PGI 244.304 Surveillance.**

(b) Weaknesses, for example—

(i) May arise because of—

(A) Major changes in the contractor's purchasing policies, procedures, or key personnel; or

(B) Changes in plant workload or type of work; and

(ii) May be discovered—

(A) During reviews of subcontracts submitted under advance notification and consent (FAR Subpart 44.2); or

(B) From information provided by Government personnel.
